About this document

This document is a receipt style certificate confirming that an inspection of amusement device ADIPS ID No. 11002 has been recorded in the ADIPS database. This document has been issued electronically by the Registered Inspection Body VOD Quality Management Solutions, Registration No. 230124-1, who has confirmed that:

- They have been notified of all information known to Funday Entertainment Ltd, regarding modifications, repairs and safety issues or incidents, that have occurred since the issue of any previous DOC and that may be relevant to the safety of the device.
- Subject to and relying upon the contents of the examination reports listed above, the safety critical aspects of the device, at the time of inspection, have not deteriorated to an extent liable to cause danger, provided that the device is maintained and operated in a safe and proper manner.
- The Industry required documents relating to any safety critical modifications (that they have been notified of) have been documented in the Operations Manual.
- The pre-use inspections (Design Review, Assessment of Conformity to Design and Initial Test) have been carried out and are documented in the operations manual.
- The device has been upgraded where necessary to minimise danger as advised by Industry Technical Bulletins or HSE guidance specifically relating to this device.
- This document may be verified at www.adipsdoc.co.uk or contact ADIPS on 0191 5166381.
