(Contract No: B1262BW0079419)**

Insurance Act 2015

APPLICATION OF WARRANTIES

1. Any reference in the policy to the proposal form/statement of fact/ information provided, as being the basis of the contract is removed.
2. Any term which uses the word “warranty” or “warranted” wherever it may appear in Your policy shall be construed as a suspensory condition. This means that Underwriters will have no liability under the policy to indemnify You after the term has been breached until the breach is remedied by You.

CONDITIONS PRECEDENT

Underwriters will not rely on breach of a condition precedent to decline Your claim if that condition was designed to reduce a loss of a particular kind, at a particular location and/or at a particular time and You are able to prove that non-compliance with the condition could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

FRAUDULENT CLAIMS

If any fraud is committed by You in relation to a claim under the policy then Underwriters will not pay that claim. Underwriters also elect to treat the policy as terminated from the date of the fraudulent act, in which case premiums are non-refundable.

FAIR PRESENTATION OF RISK CONDITION

You have a duty to make a fair presentation of the risk which You wish to insure.

This duty applies before the start of Your policy, before any variation is made and prior to each renewal. If You do not comply with this duty then:

1. If the failure to make a fair presentation of the risk is deliberate or reckless then Underwriters can elect to make Your policy void and keep the premium. This means treating the policy as if it had not existed and no return of premiums paid to Underwriters; or
2. If the failure to make a fair presentation of the risk is not deliberate or reckless but cover still would not have been provided had You made a fair presentation, then Underwriters can elect to make Your policy void and return premiums paid by You to the Underwriters; or
3. If the failure to make a fair presentation of the risk is not deliberate or reckless and Underwriters would have issued cover on different terms had You made a fair presentation then Underwriters can:
 - a. Reduce proportionately any amount paid or payable in respect of a claim under the policy by a percentage calculated by dividing the premium actually charged by the premium which Underwriters would have charged had You made a fair presentation; and/or
 - b. Treat the policy as if it had included such different terms (other than payment of the premium) as Underwriters would have imposed had You made a fair presentation.
4. Where Underwriters elect to apply one of the above then;
 - a. if Your policy is made void, this will be from the start of the policy, or the date of variation or from the date of renewal.
 - b. Underwriters will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal
 - c. the policy will be treated as having different terms imposed from the start of the policy, or the date of variation or from the date of renewal depending on when the failure to make a fair presentation occurs.

Subject to the above, all the terms, exclusions and conditions of the policy will continue to apply.

GENERAL CONDITIONS

17. GENERAL CONDITIONS APPLICABLE TO ALL SECTIONS OF THE CERTIFICATE

- 17.1. The Insured shall give immediate notice in writing to the Underwriters of any occurrence that may give rise to a claim under this Certificate and shall give all such additional information as the Underwriters may require. Every claim, writ, summons, notice of adjudication, referral notice or process and all documents relating thereto shall be forwarded to the Underwriters immediately they are received.
- 17.2. No admission, offer, promise or payment shall be made or given by or on behalf of the Insured without the written consent of the Underwriters who shall be entitled to take over and conduct in the name of the Insured the defence or settlement of any claim or to prosecute in the name of the Insured for their own benefit any claim for indemnity or damages or otherwise and shall have full discretion in the conduct of any proceedings and in the settlement of any claim and the Insured shall give all such information and assistance as the Underwriters may reasonably require.
- 17.3. The Underwriters may at any time pay to the Insured in connection with any claim or series of claims under this Certificate to which a Limit of Indemnity applies the amount of such Limit (after deduction of any sums already paid) or any lesser amount for which such claims can be settled and upon such payment being made the Underwriters shall relinquish the conduct and control of and be under no further liability in connection with such claims except for the payment of Defence Costs incurred prior to the date of such payment (unless the Limit of Indemnity is stated to be inclusive of Defence Costs).

Provided that if the Underwriters exercise the above option and the amount required to dispose of any claim or series of claims exceeds the Limit of Indemnity and such excess amount is insured either in whole or in part, with Defence Costs payable in addition to the Limit of Indemnity under this Certificate then the Underwriters will also contribute their proportion of subsequent Defence Costs incurred with their consent as the Limit of Indemnity bears to the amount paid to dispose of a claim.

The premium shall then be adjusted and any difference paid or allowed to the Insured as the case may be subject to any minimum premium that may apply. Where such estimates include remuneration to employees, the required declaration shall also include remuneration to all persons defined as Persons Employed by this Certificate. Failure to declare such particulars to the Underwriters shall entitle the Underwriters to estimate if they so wish such particulars and to assess the further premium payment due calculated on such estimated particulars.
- 17.6. Any written proposal and/or declaration made by the Insured shall form the basis of this contract of insurance and is deemed to be incorporated herein.
- 17.7. If any claim under this Certificate is in any respect fraudulent this Certificate shall become void and all benefit hereunder shall be forfeited.

APPLICATION OF WARRANTIES

1. Any reference in the policy to the proposal form/statement of fact/ information provided, as being the basis of the contract is removed.
2. Any term which uses the word “warranty” or “warranted” wherever it may appear in Your policy shall be construed as a suspensory condition. This means that Underwriters will have no liability under the policy to indemnify You after the term has been breached until the breach is remedied by You.

CONDITIONS PRECEDENT

Underwriters will not rely on breach of a condition precedent to decline Your claim if that condition was designed to reduce a loss of a particular kind, at a particular location and/or at a particular time and You are able to prove that non-compliance with the condition could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

FRAUDULENT CLAIMS

If any fraud is committed by You in relation to a claim under the policy then Underwriters will not pay that claim. Underwriters also elect to treat the policy as terminated from the date of the fraudulent act, in which case premiums are non-refundable.

FAIR PRESENTATION OF RISK CONDITION

You have a duty to make a fair presentation of the risk which You wish to insure.

This duty applies before the start of Your policy, before any variation is made and prior to each renewal. If You do not comply with this duty then:

1. If the failure to make a fair presentation of the risk is deliberate or reckless then Underwriters can elect to make Your policy void and keep the premium. This means treating the policy as if it had not existed and no return of premiums paid to Underwriters; or
2. If the failure to make a fair presentation of the risk is not deliberate or reckless but cover still would not have been provided had You made a fair presentation, then Underwriters can elect to make Your policy void and return premiums paid by You to the Underwriters; or
3. If the failure to make a fair presentation of the risk is not deliberate or reckless and Underwriters would have issued cover on different terms had You made a fair presentation then Underwriters can:
 - a. Reduce proportionately any amount paid or payable in respect of a claim under the policy by a percentage calculated by dividing the premium actually charged by the premium which Underwriters would have charged had You made a fair presentation; and/or
 - b. Treat the policy as if it had included such different terms (other than payment of the premium) as Underwriters would have imposed had You made a fair presentation.
4. Where Underwriters elect to apply one of the above then;
 - a. if Your policy is made void, this will be from the start of the policy, or the date of variation or from the date of renewal.
 - b. Underwriters will apply the formula calculated by reference to the premium that would have been charged to claims from the start of the policy, or the date of variation or from the date of renewal
 - c. the policy will be treated as having different terms imposed from the start of the policy, or the date of variation or from the date of renewaldepending on when the failure to make a fair presentation occurs.

Subject to the above, all the terms, exclusions and conditions of the policy will continue to apply.
